519-864-4131 sales@bluewaterbeef.com

Bluewater Beef is supplied by a group of three family-run beef farms located near Bridgen. Our families have been farming and caring for our cattle for several generations. Our Beef is from cattle raised on our farms, fed a healthy diet of locally grown grasses and corn. We care for our animals from birth and guarantee that hormones and animal by-products are never used.

At this time, we are donating 10% of all fundraiser sales to _____. All you have to do is fill out your information on this order form and return the bottom portion with your payment (*cash or cheque made out to: Bluewater Beef*) by _____. We will deliver your **frozen order** to the school for pick up on _____.

All orders of our locally grown, hormone-free beef, will come frozen, wrapped in traditional brown butcher paper and packaged in a box (or boxes) for easy handling. **We also have gift certificates available in any denomination.** Why not give the gift of "peace of mind in knowing where your food comes from?" These are available in any amount and are very popular for wedding, shower, and house warming gifts, as well as Christmas and anniversary ideas for people who already have everything!

If you have any questions about Bluewater Beef, our products, or how we raise our beef, please contact us directly. We would be more than happy to answer all of your questions or invite you to the farm to see for yourself how our beef is grown.
